

# Bell Technical Solutions Bargaining Update #1

February 10, 2022

Sisters and Brothers,

Please be advised that the formal Notice to Bargain was sent to the company on Wednesday, February 9<sup>th</sup>, 2022. Your Bargaining Committee has been working diligently to prepare and finalize the proposals and we will be commencing negotiations on Tuesday, February 15<sup>th</sup>.

In addition, the Company and your Bargaining Committee have agreed to extend the deadline for the technicians on loan into Ontario from Quebec until April 9<sup>th</sup>, 2022. During that time, all part time employees will be guaranteed forty (40) hours per week.

We will continue to correspond with the Locals through Bargaining Updates as negotiations continue.

We appreciate your patience and support as we continue to work through the bargaining process.

In solidarity,
